PODCAST GUEST

JAMEY HECHT PhD, PsyD, LMFT

Psychoanalyst • Humanities Scholar • Author

God, consciousness,
and the obstacles to belief.

THE FORTHCOMING BOOK

Into Theism:
Overcoming Obstacles to Belief in God

Essentia Books • Publication: August 31, 2027

How can we move toward belief in God when our worldview and experience seem to prevent it? Drawing on philosophy, psychoanalysis, literature, and Iain McGilchrist's work, *Into Theism* explores obstacles to belief—without directing readers toward any one religion, or asking them to abandon their intellectual integrity.

POSSIBLE CONVERSATIONS

- What stands between agnosticism and belief in God?
- Consciousness, idealism, and the limits of a materialist worldview.
- What Iain McGilchrist's work—on the divided brain—brings to the question of God.
- Suffering, the Book of Job, and the problem of evil.
- The psychology of theism and atheism.
